

A Risk-free Earning Opportunity In Health and Environment Space

Korgen is an ISO 9001:2015 certified company and an integrated solutions provider in environmental engineering. A professionally managed organization, Korgen partners with trusted global | national brands and offers a wide gamut of technologically advanced standard and custom-built products in water purification, water treatment, sewage treatment, air purification, solar power for residential, commercial and industrial segments.

To further expand and strengthen our market reach, we are looking for dynamic individuals to be part of our innovative '**Associate Program**' that helps them make smart use of their **free time** and earn an extra income while also contributing to the larger cause of **environmental conservation**.

Korgen Associate Program, a completely **risk-free business opportunity**, empowers individuals to build a supplementary income stream by simply referring prospects from within their known circle. In case they have the requisite experience and willingness, they can also opt to directly sell our products and earn handsome commissions.
