## Essence of KORGEN

### Our Vision

To become a trusted leader and a socially responsible company in the environmental space by providing integrated, sustainable and cost-effective solutions to our customers through partnerships with best-in-class technology companies across the globe.

### Our Mission

Strive for lasting relationships with our customers through technologically advanced value-for-money products of impeccable standards and quality service at competitive prices.

Keep a close watch on the evolving market needs and innovate technology-driven solutions in the environmental space.

Partner with best-in-class technology companies and suppliers around the world and establish long-term business relationships.

Continually run systematic and in-depth skill development programs for employees at all levels and build a positive and collaborative work environment where employees and associates are inspired to deliver their best.

Ensure cost leadership through optimized processes, investment in efficient organizational systems and digital tools, from time to time, to grow profitably across all segments.

Embrace new ideas, pursue emerging opportunities, implement ethical, transparent and progressive business practices to achieve market leadership and maximize shareholder value.

**Committed to our  
ENVIRONMENT and YOU**

### Our Goal

Armed with profound technical capabilities and a proven track record, we envision to soon becoming a nationally recognized organization in environmental engineering in India.

## Our Values and Principles

At **KORGEN**, we have adopted the following core values and principles that unite and bind our entire organization. These values are an integral part of us and fundamentally determine how we, as an organization, conduct ourselves in our journey forward.

### Ethics and Integrity

Integrity is the foundation of everything we do. For us, means are as important as the end. While our actions are guided by our vision, we shall vigorously strive to ensure that these actions are borne out of integrity and wedded to high ethical standards. Everything we do should comply with the laws and regulations of the land and stand the test of public scrutiny.

### Customer First

Customers remain our key focus and we are mad about delivering on our promises to them. They are simply at the centre of all that we do and help us shape our strategic priorities. We tirelessly work towards bettering their experience with us and whatever we do shall be transparent and centred around their interests.

### Teamwork

We believe in team play. We actively communicate across all levels of organization because we believe that success can be achieved only through collaborative efforts directed towards achieving organizational goals. Our employees are encouraged to actively participate in the decision making process and we believe that this leverages one's individual strengths.

### People and Diversity

People are our biggest asset and we firmly believe that they make all the difference. We always make sure that our team is a rich mixture of cultures with varying backgrounds that foster diversity of thought, new perspectives and open minds. Each and every employee, irrespective of the rank, shall be treated alike and with utmost respect and dignity. Equal opportunities are provided to all our employees without regard to their race, caste, religion, colour, culture, ancestry, marital status, gender, sexual-orientation, age, nationality, ethnic origin or disability.

### Care for Environment and Social Responsibility

Conservation of environment is the underlying principle of our existence. What we do makes a difference in people's lives and we are conscious of the impact that our work has on the environment. Therefore, we shall remain committed and hold ourselves responsible for ensuring the appropriateness and sustainability of our solutions and services.

### Learning and Continuous Improvement

We continuously update ourselves in terms of market trends and understand that continuous updation of knowledge and skills is required to remain relevant in today's world. As a result, we also continuously improve our products, processes, standards and people skills to achieve excellence in everything we do.

### Passion and Performance

We are passionate about what we do and always walk that extra mile to deliver our best. We firmly believe that passion engages minds and hearts better resulting in an invigorating work environment and enhanced quality of performance.

### Openness and Innovation

We are open to embracing new ideas and empowered to experiment with new ways, take informed and responsible risks, collectively and individually. We are imaginative and continuously evolve by innovating on everything what we do and optimize ourselves with positive changes.

## Our Inspiration

At Korgen, our inspiration to serve our customers, in the best possible ways, comes from the words of the Father of our Nation

- Mahatma Gandhi

*“A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption in our work. He is the purpose of it. He is not an outsider in our business. He is part of it. We are not doing him a favour by serving him. He is doing us a favour by giving us an opportunity to do so”*

## Our Products

### Water Treatment

- Pressure Sand Filters
- Multimedia Filters
- Activated Carbon Filters
- Iron Removal Plants
- Water Softeners
- Reverse Osmosis Plants
- Chemical Dosing Pumps
- UV Disinfection Units
- Ozonators
- DM | MB | EDI Plants
- Decausticizers | Dealkalizers
- Organic Scavengers
- Condensate Polishing Units
- Ultrafiltration Modules
- Micron Cartridge Filters
- Swimming Pool Filters
- Pressure Boosters | Pumps

## Our Products ...Cont'd

### Waste Water Treatment

- Packaged Compact STPs (1 to 10 KLD)
- Sewage Treatment Plants
- Sullage Treatment Plants
- Kitchen Effluent Treatment Plants
- Vehicle Wash Water Treatment Plants
- Community Waste Water Treatment Plants

### Technologies Used

- Activated Sludge Process
- Fluidized Bio Bed Reactor
- Sequential Batch Reactor
- Membrane Bio Reactor

All products are available in **manual**, **semi-automatic** and **fully automatic** versions with remote control and data-capture options.

## Brands We Trust And Use

We bring top class products and equipment, from trusted global, national and regional brands, to your doorstep.

## Product Certifications

## High-End Electronic Components That Make Your Usage Experience Far Better

- Fully Automatic Valves
- Digital Flow Meters
- Magnetic Flow Meters
- FFLT Control Panels
- Pump Controllers
- Timers
- PLC
- SCADA
- HMI
- Remote Monitoring and Control

## Our Products are Supported by a Gamut of Allied Services

As a full-service environmental engineering company, Korgen offers customers a wide spectrum of allied services of high standards in terms of quality and cost-efficiency. Over the years, we have built capabilities, professional expertise and proven methodologies to address complex operational challenges and ensure a seamless product experience for our customers.

Our key emphasis has always been on achieving 'Continued Customer Delight' and therefore we keep in close touch with our customers to identify gaps in our offerings and also gain insights into the changing market preferences. This help us tailor our offerings in tune with their expectations, from time to time.

### Pre-sales Supports

- Product Demonstrations
- In-person Presentations
- Need Analysis | Technology Selection
- Site Evaluations and Feasibility Studies
- Product / Project Cost Estimations
- Assistance in Statutory Approvals

### Laboratory Services

- Raw Water Analysis
- Treated Water Analysis
- Construction Water Analysis
- Industrial Process Water Analysis
- Sewage and Kitchen Effluent Analysis
- Industrial Effluent Analysis

### Project Implementation Supports

- GA Drawings (Basic Designs)
- Detailed Engineering Drawings
- 3D Equipment Modelling | Piping Layouts
- Isometric Extraction
- BOQ Preparation
- Civil designs and Structural Analysis

### Value Adds

- Special Extended Warranty\*
- Easy-to-use Online Complaint Registration
- Dedicated Service Helplines
- Holiday Service
- Customized Maintenance Contracts

### Post-sales Supports

- Product Installations | Project Execution
- Commissioning | Process Stabilization
- Refurbishment and Modernization
- Comprehensive Warranty\*
- Spares and Consumables
- Annual Service Contracts
- Annual Maintenance Contracts
- Operation and Maintenance Contracts
- On-Call Service

## Why choose Korgen?

As an ISO 9001 and 14001 certified environmental engineering organization backed by domain experts with an industry experience of 25+ years, we have built a reputation for ourselves as a trusted company with proven credentials. While our most important forte is our ability to offer value added solutions for our customers' myriad requirements across segments, what have made us successful are a few distinctive strengths.

### The KORGEN Advantage

- ✓ End-to-End Integrated Solutions Provider in Water and Wastewater Treatment
- ✓ Use of Globally-acclaimed Cutting-edge technologies
- ✓ Product Designs Based on Established Formula and Proven Practices
- ✓ Custom-built Plants for Specific Requirements and Site Conditions
- ✓ Seamless Project Execution Capabilities
- ✓ Delivery of Consistent Performance at Optimal Efficiency over the Long Term
- ✓ Branded components, High-quality internals, Consumables ensure Long Life and Durability
- ✓ Advanced Instrumentation, Controls, Automation and Remote Monitoring Options
- ✓ Rugged Construction and Modular Build with Relatively Smaller Footprints
- ✓ Extended Warranty Schemes and Flexible After-sales Maintenance Packages
- ✓ Well-trained Field Engineers for Prompt and Efficient After-sales Service
- ✓ Competitive Prices and Lower Lifecycle Costs
